

# KIOSK TOUCH 24" INDOOR

BY TAILORADIO

**KIOSK TR-T24-I** is the best interactive kiosk and self-service solution.

Info-points, automatic checkouts, self-order and ticket purchase: these are just some of the services that can be activated with **TR-T24-I**. Innovative experience with optimised workflows to guarantee the best service at the brand's locations.

Elegant design combined with quality materials and on-board technology make the **KIOSK TR-T24-I** an easy-to-adopt and highly reliable solution with a **3-year warranty** and minimal routine maintenance.

The **TR-T24-I** is equipped with a professional Philips 24" **multi-touch display for 24/7 use**, with maximum fluidity and suitable for any interactivity. The media player is configurable with the main operating systems: Android, Linux, Windows.

Available in **different configurations**, with peripherals dedicated to specific functionalities according to requirements, such as QRCode/Barcode reader, NFC reader, thermal printer and unattended POS for digital payments.
